Open or with a design element.
Always consistent

The design – Four colours. One style

The programme – One system for all applications

Assembly – Simple and tool-free

TANDEMBOX antaro

Rectangular with a clear design all the way down the line

The TANDEMBOX drawer system has been impressing furniture users and manufacturers with its proven technology for many years now.

Now TANDEMBOX antaro is available, a programme line with new design options.

TANDEMBOX antaro has a clear style, whether it's open with a gallery or a closed box with a design element.

All components are colour-coordinated.

Minimalist design meets proven technology.

That is TANDEMBOX antaro.
